INCIDENT DESCRIPTION

On 12/21/13 at about 0145 hours, I was dispatched to [REDACTED] Overlook Drive regarding a noise complaint. Upon arrival, I was met by [REDACTED]

[REDACTED] stated the complaint was in regards to noises she heard last night coming from the direction of her neighbors home. [REDACTED] provided a written sworn statement which said the following: "On 12/20/13 at about 0200 hours, I was home and in my Mom's bedroom; located in the northeast corner of our house. I heard a loud bang coming from the direction of my neighbor's house located at 52 Overlook Drive. My Dog began barking at about the same time, which I thought was unusual for the hour. At about 0300 hours, I was laying in my Mom's bed and heard traffic out in front of our house. I heard multiple cars driving by. I heard one of the cars either brake or turn hard and it made a squealing noise. High pitch sounds hurt my ears, so I recall hearing the squealing, which woke me up from my sleep. I was annoyed and then I went back to sleep."

[REDACTED] stated she didn't know if the information would help at all, but she wanted to let the Windsor Police Department know what she remembered. End.
